

SECONDARY SCHOOL OF AGRICULTURE AND VETERINARY LANSKROUN

SECONDARY SCHOOL OF AGRICULTURE AND VETERINARY LANSKROUN

SZeS Lanskroun is situated in the eastern Bohemia in Pardubice region. It is about 200 km from Prague and 20 km from Ceska Trebova. Lanskroun has a rich history and it was established in the second half of the 11th century. Lanskroun school system has been connected with agricultural school for more than 70 years and its tradition goes to 1945. In its history the school has been developed commonly with the school farm. Now you can see new and modern classrooms and facilities for practical lessons. There is an area for cattle and horse breeding that is an unseparated part of the school farm. It is used as a natural classroom for vocational education.

Almost 300 students study in our school.

School facilities are made of 4 main parts:

1. School:
